Emargo Periods: How Do They Affect the Use of Electronic Theses and Dissertations?

Midge Coates
Auburn University Libraries

1. Requests for embargo by submitters are increasing.

2. Requested embargo periods are lengthening.

3. Over the last few years, interest in embargoed titles has been increasing vs. non-embargoed titles...

... But this may arise from increasing interest in more recent titles (more likely to be embargoed) vs. older titles.
